

Quality Policy

QUALITY MANAGEMENT SYSTEM

Kreon Technology's QMS establishes and maintains a framework that strives for optimum performance in respect of Kreon Technology's strategic intent, business concept and strategic business objectives.

BUSINESS EXCELLENCE

Continual Growth and business excellence through:

- Proactive leadership
- Competent human resources
- Ongoing process involvement

PRODUCT QUALITY

Provide for processes that ensure:

- Product assurance
- Conformance to specifications
- Conformance to regulatory and statutory requirements

CUSTOMER SATISFACTION

Kreon is committed to:

- Satisfying our customer's requirements
- Establishing appropriate customer relationships

IMPLEMENTATION AND RESPONSIBILITY

Kreon Technology is committed to ISO 9001:2015, and all management levels are responsible for ensuring that the Quality Policy, as well as the requirements of the Quality management system and associated Quality Objectives are implemented, reviewed regularly, and improved continually to reflect our customer's and business needs.
